

# The Westfield Washington Public Library Foundation

***Explore. Discover. Grow***

The Westfield Washington Public Library Foundation was established to help raise awareness, advocate for and as well as raise funds for the Westfield Washington Public Library. For over 100 years, the Westfield Washington Public Library has served and enriched the lives of those in the community of Westfield and Washington Township, regardless of age or circumstance.

We believe that the Westfield Washington Public Library is an essential cornerstone of our community. We know that patrons of all ages and backgrounds find ideas, information and innovative services at the library every day. Contributions from individuals, foundations, corporations and organizations help fund programs above and beyond what public funding provides.

We have many exciting things to come! Help us make the Westfield Library the best it can be!
